NOTICE UNDER THE AMERICANS WITH DISABILITIES ACT

In accordance with the requirements of title II of the Americans with Disabilities Act of 1990 ("ADA"), the VIGO COUNTY PUBLIC LIBRARY will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

Employment: the VIGO COUNTY PUBLIC LIBRARY does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under title I of the ADA.

Effective Communication: VIGO COUNTY PUBLIC LIBRARY will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in VIGO COUNTY PUBLIC LIBRARY's programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: VIGO COUNTY PUBLIC LIBRARY will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcomed in VIGO COUNTY PUBLIC LIBRARY offices and public service areas, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of VIGO COUNTY PUBLIC LIBRARY, should contact one of the library division Directors at 812-232-1113, Vigo County Public Library, One Library Square, Terre Haute, IN 47807 or ada@vigo.lib.in.us as soon as possible but no later than 48 hours before the scheduled event. The ADA does not require the VIGO COUNTY PUBLIC LIBRARY to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of VIGO COUNTY PUBLIC LIBRARY is not accessible to persons with disabilities should be directed to the Executive Director who serves as the ADA Coordinator at Vigo County Public Library, One Library Square, Terre Haute, IN 47807, Voice: 812-232-1113; e-mail: ada@vigo.lib.in.us.

VIGO COUNTY PUBLIC LIBRARY will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.

Adopted by the Vigo County Public Library Board of Trustees on the 21st day of August 2017.

Grievance Procedure under the Americans with Disabilities Act

This Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 ("ADA"). The procedure may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the VIGO COUNTY PUBLIC LIBRARY. The VIGO COUNTY PUBLIC LIBRARY's Staff Manual governs employment-related complaints of disability discrimination.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint will be made available for persons with disabilities upon request.

The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 60 calendar days after the alleged violation to:

Executive Director and ADA Coordinator
Vigo County Public Library, One Library Square, Terre Haute IN 47807
Voice: 812-232-1113; E-mail: ada@vigo.lib.in.us

Within 15 calendar days after receipt of the complaint, the ADA Coordinator, or designee will meet with the complainant to discuss the complaint and the possible resolutions. Within 15 calendar days of the meeting, the ADA Coordinator, or designee will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, Braille, or audio tape. The response will explain the position of the VIGO COUNTY PUBLIC LIBRARY and offer options for substantive resolution of the complaint.

If the response by the ADA Coordinator, or designee, does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 15 calendar days after receipt of the response to the Vigo County Public Library Board of Trustees or a designee.

Within 15 calendar days after receipt of the appeal, the Vigo County Public Library Board of Trustees or a designee will meet with the complainant to discuss the complaint and possible resolutions. Within 15 calendar days after the meeting, the Vigo County Public Library Board of Trustees or a designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by the ADA Coordinator, or designee, appeals to the Vigo County Public Library Board of Trustees or a designee, and responses from these two offices will be retained by the VIGO COUNTY PUBLIC LIBRARY for at least three years.

Adopted by the Vigo County Public Library Board of Trustees on the 21st day of August 2017.

BOARD GUIDELINES REGARDING MEDIA OR PUBLIC INQUIRIES

No one on the Vigo County Public Library Board of Trustees can or should be denied his or her freedom of expression. In other words, the individual board member is not censored or told how he or she must respond to any particular inquiry. The same principle holds true for library staff. The VCPL's Collection Development Policy and the Accessing Library Materials Policy, or any policy for that matter, are not sets of strict black and white rules that will provide the "right" answer to a question. These policies do, however, provide a framework for a response. Censorship issues tend to be emotional and usually revolve around a particular title or format of material. Often, the only answer that satisfies the complaint is for the Library to agree to remove the item. If this course is followed, the item is then not available to those who may want to read, view, or hear that particular work. If every item or library material that might offend someone were withdrawn from the library collection, the VCPL would have few, if any, materials left on the shelves. The VCPL may withdraw an item temporarily while it is under review. Collection status may also be changed, for example, from juvenile to adult, but library materials are not withdrawn solely on the basis of a complaint.

The following guidelines are offered as suggestions for VCPL Board members to use if approached by the media or an individual who has a concern.

- When approached by the media for a comment or reaction to any type of incident, the Board Member should make it clear that he or she is speaking only as an individual, not for the Library Board. This is essential if the Board has not had an opportunity to meet and discuss the issue. If the Board has taken a position on an issue, the media or individual can be referred to the Library Administration office for a direct quotation or copy of the decision made at the board meeting. This prevents the Library Board member from being placed on the spot as the "Board Spokesperson". In general, it is always best to respond as succinctly and briefly as possible and it is certainly appropriate to respond that the Board has yet to meet and discuss the particular issue.
- If there is a censorship issue, and the Board member is contacted directly by an individual, please inquire if the concerned person has completed a "Statement of Concern about Library Resources" form and if he or she has spoken with the Reference Coordinator or the Director concerning the issue. Please encourage anyone to follow this procedure. Immediately notify the Director, or in her absence, the Administrative Coordinator or the Reference Coordinator. A quick response to these inquiries can make all the difference in how the situation develops.
- Library staff will respond appropriately to each individual inquiry. Persons who have followed the established procedure and are not content with the outcome are welcome to attend the next regular Library Board Meeting. On the agenda there is a place for public input and anyone is welcome to present his or her issue. The Library Board is not obligated to respond to the issue at that meeting but may take it under advisement for reaction or response at a later date.

CAPITAL ASSETS POLICY

In accordance with the Indiana State Board of Accounts' Accounting and Uniform Compliance Guidelines for Libraries, the Vigo County Public Library shall record all capital assets in a Capital Assets Ledger. An inventory of those capital assets will be conducted every two years as required by the Indiana State Board of Accounts. Capital assets are defined as physical assets of a durable nature including land, buildings, and improvements other than buildings, machinery, equipment, furniture, books, periodicals, non-print materials, and construction in progress.

Capitalization Thresholds and Depreciation Method

The Business Manager will assign an estimated useful life based on the table below to all assets for the purposes of recording depreciation. Asset lives will be adjusted as necessary depending on the present condition and use of the asset and based on how long the asset is expected to meet current service demands. The method for determining useful life and depreciation is retroactive to January 1, 2021.

	Capitalization Threshold	Depreciation Method	Estimated Useful Life
Land	All land purchases will be recorded	N/A	N/A
Buildings	\$5,000	Straight line	10 -50 years
Improvements other than buildings	\$10,000	Straight line	10 – 25 years
Machinery & Equipment	\$5,000	Straight line	5 – 20 years
Vehicles	\$5,000	Straight line	10 years
Construction in progress	\$10,000	N/A	N/A
Books and other	Capitalize all with useful life > 1 year	Composite	4 years

Contributed or Donated Assets

Contributed or donated assets will be capitalized at current appraised or fair market value as of date of donation.

Construction in Progress

Capital expenditures incurred while constructing or developing a tangible or intangible capital asset before it is substantially ready to be placed into service are categorized as Construction in Progress. Once the asset is complete and placed into service, the asset will be reclassified in the appropriate capital asset category. Until the asset is placed into service, no depreciation expense will be incurred.

Capital Assets Ledger

The Capital Assets Ledger will be maintained in an electronic format according to the following guidelines:

1. The VCPL will record all land purchases in the Capital Assets Ledger, regardless of value.
2. The VCPL will record the cost of purchases in the building category if the cost is equal to or greater than \$5,000.
3. The VCPL will record the cost of improving or renovating an existing building or improvements other than buildings in the Capital Assets Ledger only if the total cost exceeds \$10,000.

4. The VCPL will inventory and record machinery, equipment, and furniture in the Capital Assets Ledger if the unit cost is equal to or greater than \$5,000.
5. The VCPL's library material cataloging and acquisition system will be utilized for the purpose of assessing the capital value of the library's material collections including books, periodicals, archival records, and non-print materials. The value totals will be recorded in the Capital Assets Ledger.
6. The VCPL will record construction in progress projects in excess of \$10,000 on an uncompleted building or other capital construction project in the Capital Assets Ledger. The Capital Assets Ledger inventory data records will record an item's description, location, date of purchase, acquisition cost, estimated life, tag or serial number, date of disposal, amount received on disposal, and type of asset.
7. Machinery, equipment, and furniture recorded in the Capital Assets Ledger will be numbered and tagged with property identification tags.

The CAPITAL ASSETS POLICY and the maintenance of the Capital Assets Ledger are designed and implemented to provide reasonable assurances that:

- Accountability for library owned assets is maintained.
- The recording of assets is compared with the existing assets at least every two years and appropriate action be taken with respect to any differences.

Adopted by the Vigo County Public Library Board of Trustees on the 22nd day of January 2022.

CIRCULATION POLICY

The Vigo County Public Library loans designated library materials for use outside the library to eligible registered borrowers as defined by and in compliance with Indiana Code 36-12-2-25 and outlined in the Registration of Borrowers Policy.

The Library fulfills its responsibility to the community by maintaining records on all items currently loaned and for which a transaction of responsibility has taken place between the VCPL and the borrower with guaranty that the items will be returned to the Library's custody on time and in good condition. The Library reserves the right to limit the type and number of materials loaned and the time periods for which a loan is valid.

Borrowers who do not return items on time receive a **FIRST OVERDUE NOTICE** followed by a **FINAL OVERDUE NOTICE** which includes billing and collection agency information. Borrowers who return items with damage or report item loss receive a **BILL NOTICE**. After issuance of a **FINAL OVERDUE NOTICE** or **BILL NOTICE** the replacement costs of overdue items are billed to the borrower's account and borrowing privileges are suspended. Borrowing privileges are restored when all items are returned or reimbursement for lost or damaged items is received. Billed items are charged at the publisher or producer's list price or the default price for similar items. Billed borrower accounts may be turned over to a collection agency and all resulting collection fees are the responsibility of the borrower. Collection fees must be paid by the borrower even if library materials are returned or reimbursement is made.

Library materials not specifically designated for loan, such as Reference or Special Collections, may be loaned under certain circumstances with authorized permission and under such terms as are deemed reasonable.

The lending of library materials is further subject to such rules, regulations, and conditions as may be in effect from time to time (which shall be deemed supplemental to the foregoing policy), including but not limited to rules pertaining to the applicable time periods for which library materials are loaned as set forth in the attached Addendum. The above policy and supplemental conditions referred to in this paragraph may be amended at any time without notice. The Library reserves the right to alter the application of the above policy should extraordinary or emergency circumstances warrant.

Adopted by the Vigo County Public Library Board of Trustees on the 19th day of June 2017.

COLLECTION DEVELOPMENT POLICY

Collection Mission

The Vigo County Public Library (VCPL) provides a diverse collection of library resources reflecting a variety of community viewpoints and interests and strives to acquire and maintain library resources of current interest and enduring value. The VCPL Board of Trustees affirms the American Library Association's [Library Bill of Rights](#), [Freedom to View](#), and [Freedom to Read](#) policy statements in support of acquiring and managing collections.

Responsibility for Collection Management

The VCPL Board of Trustees delegates to the Executive Director the authority and responsibility for selection and management of all print, non-print and electronic materials, within the framework of this policy. Actual selection and management activities are shared among trained library staff who shall discharge this obligation consistent with this policy and established procedures.

Selection Criteria

As good stewards of taxpayer funding, staff must be selective in what they choose for VCPL's collection and consider factors such as customer interest, price, and available physical space. They also take into account anticipated or existing demand; local interest; reputation and skill of the author, performer, or artist; existing library resources in the subject area; published reviews; availability of titles from other sources; and the physical durability of the item.

VCPL serves the educational, cultural, and recreational needs of the community and strives to maintain an ever evolving collection of general interest materials with added depth in areas of local relevance. Materials and formats are not maintained past their relevance, to ensure a collection that serves current interests. Textbooks and materials of a highly technical or specialized nature are not acquired by VCPL but are made available in accordance with the Interlibrary Loan Policy or by visiting one of the local university libraries' collections.

VCPL also maintains a limited collection of recreational and informational materials in languages other than English. Materials published in languages other than English are purchased for the collection in response to local demographics, demonstrated need, and according to popular demand. Materials of local interest or of historical significance are evaluated by our Special Collection and Archival staff.

VCPL is a member of the Indiana Digital Library consortium organized by the Indiana State Library. This consortium provides our community with access to over 200 Indiana libraries' digital collections through Overdrive and its mobile app Libby. Due to the nature of a digital consortium, library users have access to materials selected by librarians across the state for a wide range of people from a variety of communities and is governed by its own [Collection Development Policy](#).

VCPL is often asked to include items that are written and/or published independently, such as items published through a vanity press company. VCPL looks for material that will appeal to a wide audience and meets the selection criteria laid out in this policy. Special consideration may be given to items of local or regional interest.

VCPL maintains access to web-based resources such as research databases and other digital collections as recommended and selected by staff. Additional criteria for selection of web-based resources include but are not limited to: ease of use, including enhanced searching capabilities; authority; accuracy; frequency of updating; anticipated demand by library users; quality of support; remote access capability; and licensing fees and usage restriction. The selection criteria remain the same for materials in new technologies and emerging formats that are selected by VCPL.

Gifts

VCPL reserves the right to determine if the items will be added to the collection, using the same selection criteria as for purchased materials. Items not added to the collection are transferred to the Friends of the Vigo County Public Library for disposal. VCPL maintains the right to refuse donations at any time.

For additional information about donations, please see VCPL's Gifts Policy.

Requests for Purchase

Any resident has the opportunity to suggest the purchase of a title for VCPL's collection. Those items will be considered using the same selection criteria as other materials and are not automatically added to the collection.

Requests for Reconsideration

Residents of Vigo County may request the reconsideration of an item in VCPL's collection using the Request for Reconsideration form. After receiving the completed form, the Executive Director will appoint an ad hoc committee consisting of the appropriate library staff with relevant subject knowledge. The committee will evaluate all requests within the context of the Collection Development Policy. During this process, the item in question will remain in the collection. At the conclusion of the review, the customer will receive a written response to their Request for Reconsideration.

Frankness of language and/or graphic content is not considered sufficient justification in itself to remove or restrict library items or formats. Titles with viewpoints or content deemed objectionable by a resident are judged as entire works, not on isolated passages or sections. Parents or guardians are responsible for their minor's, and only their minor's, use of library materials.

Collection Maintenance

VCPL does not serve as an archive of historical materials nor as an institute for advanced scholarly or professional research. To maintain a vital, current collection that meets the needs of the community, continuous review is necessary. Low-circulating and/or out-of-date items are reviewed on a regular basis and withdrawn as appropriate.

Withdrawn items are frequently transferred to the Friends of VCPL, a 501(c)3 organization, to sell or dispose of as they deem appropriate. Items may also be recycled or otherwise repurposed.

Adopted by the Vigo County Public Library Board of Trustees on the 23rd day of February 2023.

Community Access to Meeting Rooms and Collaborative Spaces

Vigo County Public Library (VCPL) provides access to meeting rooms and collaborative spaces that can be reserved by individuals, groups, and organizations. People who use the meeting rooms or collaborative spaces must adhere to VCPL's Rights and Responsibilities and the guidelines in this policy.

Granting use of meeting rooms and or collaborative spaces does not constitute or imply VCPL endorsement or advocacy of the purpose(s), activities, expression, or policies of any individual, group, or organization.

In order to sustain its status as a limited public forum, VCPL in its sole discretion may impose reasonable time, place, and manner restrictions on the use of meeting rooms and collaborative spaces. Meeting rooms and collaborative spaces are available only during library open hours unless prior approval has been granted by a member of VCPL Management. Reservation requests will be processed on a first-come first-serve basis, however, to ensure equitable access, VCPL may restrict continuous ongoing reservations for any single group or individual if such reservations regularly deny other groups or individuals use of meeting rooms or collaborative spaces.

Library sponsored or co-sponsored activities will receive priority scheduling at all times and VCPL reserves the right to reschedule or cancel reservations when needed to accommodate Library needs. The Conference Room, Lifelong Learning Center, Haute Create, Youth Services Program Room and Youth Services Multipurpose Room are not available for reservations for the public without permission from Library Management.

These temporary changes will be in effect until Library Administration, acting with the guidance of public health professionals, determines the restrictions can be lifted.

Other existing aspects of policy, like the types of activities permitted in meeting spaces, who is eligible to reserve meeting spaces, and the terms of use, have not been altered. Library staff can be reached at 812.232.1113 or via email at questions@vigo.lib.in.us for questions about Meeting Room Use and the temporary policy changes.

VCPL reserves the right to modify this temporary policy to support community conditions at the time. If conditions warrant, VCPL may cancel reservations with little to no warning.

COMPUTER, INTERNET, AND WIRELESS ACCESS USE POLICY

The Vigo County Public Library provides access to computers and the internet as part of its mission to create an environment of opportunity with availability of resources in a variety of formats. While the ability to utilize digital technology and access the internet provides a wealth of resources that are personally, professionally, and culturally enriching to individuals, the internet is an unregulated medium that enables access to content that may be inaccurate, offensive, disturbing, and possibly illegal.

Filtering

As required by the Children's Internet Protection Act (CIPA), and in order to remain eligible for certain federal funding, the VCPL implements a technology protection measure (TPM) that filters internet content accessed via all VCPL computers and networks. The TPM serves as a safeguard against access to visual depictions that (1) are obscene, (2) contain child pornography, or (3) are harmful to minors (defined as any person younger than 17 years of age), however, it should not be perceived to guarantee that all such depictions will be blocked.

While the TPM inhibits access to content that violates CIPA and is not generally acceptable in a public library, it is technically impossible to guarantee that the TPM will be error free. The Vigo County Public Library is not responsible for the unintentional inclusion of prohibited content or the exclusion of legitimate content that may be the result of TPM software limitations. An authorized staff member may disable the TPM, upon request by a user 17 years of age or older, to allow unrestricted access for research or any other lawful purpose. The TPM cannot be disabled on the library's wireless network. The Children's Internet Protection Act (CIPA) does not allow disabling internet filtering software for minors under any circumstances.

Responsibility of Users

With the freedom and privilege to access computer networks and internet resources comes the requirement to use them in a responsible and ethical manner that includes, but is not limited to, the following:

- Using resources for educational, informational, and recreational purposes and not for unauthorized, illegal, or unethical purposes.
- Respecting the privacy of others by not misrepresenting oneself as another user, by not attempting to modify or gain access to files, passwords, or data belonging to others; by not seeking unauthorized access to any computer system or damaging or altering software components of any network or database.
- Making only authorized copies of copyrighted or licensed software or data.
- Refraining from the display of images or other content that may be offensive to other customers or library staff, whether using filtered or unfiltered internet access, or accessing files from a portable device. Users must be aware of and respect the rights of others in the library. The Vigo County Public Library recognizes and supports federal laws pertaining to information access and is obligated to comply with laws pertaining to exposure to certain explicit images and other content.

Access by Minors and Internet Safety

The Vigo County Public Library upholds and affirms the right and responsibility of parents to determine and monitor their children's use of library materials and resources, including those available through the internet. The Vigo County Public Library encourages parents and guardians to work closely with their children in accessing online resources and services and selecting resources that are consistent with personal and family values.

In compliance with the Neighborhood Children's Internet Protection Act (N-CIPA) and in order to provide reasonable protective measures for minors (defined as under the age of 17), the VCPL:

- Utilizes a TPM to filter internet content accessed via VCPL computers and networks and inhibits access by minors to content that is obscene, illegal, or harmful to minors.

- Develops and maintains appropriate websites and online resources for children and teens.
- Prohibits minors from using library computer equipment or internet access to engage in unauthorized access, including hacking and other unlawful activities online.
- Provides information for parents and minors regarding safe internet use practices including:
 - Following safety and security guidelines when using electronic mail, chat rooms, social media sites, and other forms of direct electronic communications.
 - Preventing the unauthorized disclosure, use, and dissemination of personal information regarding minors.
 - Providing access to online safety resources.

Wireless Access

As an extension of the VCPL network, wireless access is available at all library locations for customers to use with their own wireless devices or with library wireless devices. All rules, regulations, and principles contained within this policy are applicable to the use of the wireless network. The VCPL makes no guarantees as to compatibility of customer owned devices with the library's wireless network, nor as to reliability or security of connections to the network or to the internet. Information transmitted via public wireless networks can be intercepted and should not be considered secure. Customers should utilize up-to-date virus protection, personal firewalls, and other security measures to protect devices from viruses and hackers. The VCPL assumes no responsibility for the safety of customer devices, device configurations, security, or data files resulting from connection to the library's wireless network, nor liability for damages to hardware, software, or data.

Policy Enforcement and Limits of Liability

The Vigo County Public Library retains the right to determine appropriate use of library computer and network resources for the purpose of enforcing this policy. Users who violate the policy or refuse to abide by instructions of library staff may be suspended from the use of computer and network resources or have library privileges revoked.

The VCPL assumes no liability for any loss or damage to users' data or devices, nor for any personal damage or injury incurred as a result of using VCPL computer or network resources. This includes damage or injury sustained from invasions of the user's privacy.

Complaints regarding the application of these policies should be brought to the attention of VCPL Administration for investigation.

The VCPL may use records, such as products of video or other security systems, referred to in subparagraph (A):

- when reporting a crime committed against or on the premises of VCPL,
- or when exigent circumstances such as the prevention of imminent danger to life or serious damage to property exist as a result of a crime committed on library premises.

Nothing in this policy shall be deemed to require the disclosure by the VCPL of any other written or tangible materials or records or archives other than as expressly required by law.

While VCPL safeguards the confidentiality and privacy of all library records, library users should be aware that public library spaces, both physical and digital, are public and as such, there is no reasonable expectation of privacy for information and or activity that is plainly in public view or that is otherwise publicly available.

VCPL enters into agreements with third party vendors and partners to provide online services, digital collections, streaming media content, electronic newsletters and to improve the library's website. When using some of these services, library customers may also connect with social networks and other users of these services.

INTERLIBRARY LOAN POLICY

Interlibrary loan (ILL) is a service that allows a user at one library to borrow materials that are owned by another library. Vigo County Public Library participates in ILL as both a borrowing and lending library. Any VCPL user with a valid card can submit an ILL request for items that VCPL does not own. VCPL acts as an intermediary by finding the material at a lending library, requesting the item, loaning it to the user, and then returning the item to the owning library. VCPL also lends items it owns to other libraries to fulfill requests. ILL service is available at no cost for VCPL card holders.

VCPL utilizes Interlibrary Loan Services through Worldshare, a service provided by OCLC, Inc. (Online Computer Library Center, Inc.) and an in-state system, SRCS (Statewide Remote Circulation Service) provided by the Indiana State Library.

The guidelines below are also compliant with the American Library Association's Interlibrary Loan Code for the United States, available at <http://ala.org/rusa/guidelines/interlibrary>.

The **BORROWING** of materials from other libraries is determined by the following:

1. ILL service is available to Vigo County Public Library patrons who hold a valid borrowers card.
2. The Vigo County Public Library will only borrow from libraries that do not charge a fee for ILL service.
3. The loan period for ILL materials is determined by the lending library, and requests for renewal must be approved by the lending library. The lending library may also place restrictions on how the material may be used.
4. Vigo County Public Library borrowers who have not returned ILL items on time are subject to the Vigo County Public Library Circulation Policy. Fees for lost or damaged items are determined by the lending library. Even if the ILL material is returned, the borrower may still be responsible for replacement costs for long overdue items if VCPL has already paid the lending library for the item.

The **LENDING** of VCPL materials to other libraries is determined by the following:

1. ILL requests are accepted using OCLC, SRCS, ALA forms, fax or telephone.
2. Loan period is eight (8) weeks. VCPL has the right to place restrictions on how its library materials may be used by the borrowing library.
3. Vigo County Public Library complies with all federal copyright laws and may limit or restrict the copying of library materials pursuant to the compliance of federal statutes.
4. When materials are overdue, ILL staff notify the borrowing library. A **BILL FOR REPLACEMENT** is submitted to the borrowing library when the borrowing library indicates that the material has been lost.

The above policies may be amended at any time without notice. The Vigo County Public Library reserves the authority to alter the application of the above policies should extraordinary or emergency circumstances warrant.

The Vigo County Public Library's purpose is to provide quality library service, to develop and organize a useful collection of library materials, to furnish capable, unbiased reference assistance, and to encourage and promote the free and equitable access to information for all Vigo County citizens. The Vigo County Public Library Board of Trustees declares that the public library exists because our democratic society values the free flow of ideas and opinion and that the public library's existence is not based on profit or earnings, but instead, is based on a responsibility and accountability to the taxpayers of Vigo County to provide and promote library services.

TOBACCO AND E-CIGARETTE-FREE POLICY

In order to maintain a healthy, safe, and clean environment for both library customers and library employees, the use of tobacco and e-cigarette products is prohibited at the Vigo County Public Library (including vaping, smoking, chewing, and other tobacco use). Tobacco and e-cigarette use in library facilities or in unauthorized areas at Vigo County Public Library is strictly prohibited. All interior spaces in Vigo County Public Library buildings, including all leased facilities and library owned vehicles, are designated as tobacco and e-cigarette free.

Use of tobacco and e-cigarette products as defined above will not be permitted near exits and entrances of all library owned buildings, (designated as the Main Library and the West Terre Haute branch), except at a reasonable distance (50 feet or more) or unless otherwise designated.

UNATTENDED CHILDREN POLICY

Vigo County Public Library (VCPL) welcomes children of all ages to use its facilities and services and to attend library events. Library staff members are available and eager to assist children with library use but cannot assume responsibility for a child's care, supervision, or experience while using the library. Responsibility for the safety, well-being, and behavior of a child, as well as what that child reads, views, or experiences while using the library, always rests with the parent, guardian, or responsible caregiver.

Providing a safe and appropriate environment for all library users is a priority for VCPL. However, public libraries are public buildings, open to all members of the public, and as such, it should not be assumed that they are inherently safe places for unattended and or vulnerable children. To ensure their safety and well-being, children should remain in the company of a parent, guardian, or responsible caregiver while on library premises, just as in any public venue. In addition to concerns for safety and well-being, children left unattended for a period of time may become bored and restless or upset by the absence of the parent, guardian, or caregiver.

As a general rule, the following should provide guidance to parents, guardians, and caregivers regarding unattended children:

1. Children of any age must have a means of contacting, or providing contact information, for their parent, guardian, or responsible care giver in the event an emergency or other issues arise.
2. Children age 8 and younger: A parent, guardian, or responsible caregiver (age 14 or older) must remain within visual contact and attentive to the supervision of the child at all times.
3. Children age 9 and older: A child in this age range may use the library unattended if the child is able to care for themselves and can understand and comply with appropriate conduct guidelines and staff direction.
4. Children of any age who are unable to care for themselves or who are unable or unwilling to comply with appropriate conduct guidelines and staff direction must be accompanied at all times by a parent, guardian, or responsible caregiver.
5. A child of any age whose safety and well-being appears to be compromised by being left unattended may be treated as an unattended child.

Library staff will use their judgment and discretion in determining appropriate action if a child is deemed to be unattended. Generally, appropriate actions include an attempt to reunite the child with the parent, guardian, or responsible caregiver on library premises; an attempt to contact the same if not on library premises and contact information is available; or, if unable to make contact with the responsible parties, contact the appropriate authorities to assume responsibility for the unattended child.

UNSCHEDULED LIBRARY CLOSINGS

In keeping with the mission of the Library, unscheduled closings due to inclement weather, facility conditions, or other public health and safety emergencies will be kept to the minimum number of days consistent with public and staff safety. Decisions regarding the closing of the library facility or subsequent openings of the library facility are made by the VCPL Director or the VCPL director's designee. Consultation with library board of trustee members will also be conducted when conditions warrant an extended closing period for a facility.

If and when county emergency management officials declare a county wide or regional emergency all library facilities will be shut down and closed until conditions warrant or officials indicate opening the facilities is in the best interest of the public.

The decision to close the library system and or individual library facilities before the start of the working day is made based on a variety of factors including the state of parking lots in facilities. If ISU is open, the city buses are operating, the retail malls are open, and traffic is moving on U.S. 41 and I-70, the VCPL library system will open. If severe weather develops during the working day, weather forecasts will be consulted and the decision to close the library early will be based on the same criteria. If the Main library building or a branch suffers damage due to severe weather conditions or building facility malfunction the decision to close the building or branch will be made by the Director in consultation with the branch manager and the maintenance supervisor.

Conditions that may necessitate closing the VCPL include catastrophic life threatening weather (snow, ice, tornado, earthquake, flood or other natural disaster), fire, and equipment failure, disruption of power and/or water, contamination by hazardous agents, terrorist acts, pandemic outbreaks, or forced evacuations from the neighborhood or library facility.

The decision to close the library system will be made in conjunction with local municipality and/or state or federal guidelines and the Library's ability to provide adequate staff and resources.

Adopted by the Vigo County Public Library Board of Trustees on the 21st day of September 2009.

VEHICLE USE POLICY

The VCPL operates two vehicles to conduct official library related business by library staff members. One library vehicle is used primarily by Outreach Services during regular business hours in order to pick-up and deliver library materials to agencies, institutions, and the homebound. The second vehicle is used primarily by the Maintenance department to pick-up and deliver mail, supplies, and library materials, to transfer staff to official library related meetings and conferences, to conduct parking lot surveillance and snow and debris removal, and to conduct delivery of library materials to branch facilities, including the cleaning and maintenance of branch facilities during nighttime hours. The Maintenance department and the Outreach Services department are the primary users and drivers of library vehicles, however on occasion, other staff members such as systems technicians, library coordinators, including the library director, may also require the use of library owned vehicles to conduct library related business.

The use of library vehicles by staff to conduct personal and private business is prohibited. Library vehicles may be parked at local restaurants, parks, or other public facilities for periods not to exceed 30 minutes in order for library staff to observe official work breaks and meal periods while performing assigned responsibilities with a library owned vehicle. At no time should passengers other than library staff be allowed to ride in library owned vehicles.

Staff requests to utilize library owned vehicles should be directed to the Maintenance department and requests should include the time of day the vehicle is needed, the purpose and duration of use, and who will be driving the vehicle. The Library Director shall have the final authority regarding the use of library vehicles in order to conduct library business. All vehicle drivers must possess a valid Indiana Drivers License. The VCPL will conduct official driving record checks and may request drug screen tests for staff directed to drive library owned vehicles each year prior to authorization of use.

Staff may request a driver subject to staff availability and the duration of use from either the Maintenance or the Outreach Services department. The Maintenance department is responsible for purchasing fuel for both vehicles as well as providing general upkeep and vehicle maintenance.

VOLUNTEER AND INTERN POLICY

Definition

A Volunteer is an individual, of sufficient age to be entering grade 7 or older, providing assistance to VCPL staff in projects or enhanced provision of services, without compensation.

1. A regular volunteer is an individual committed to providing regular on-going assistance and for whom the library commits a substantial investment in placement and training.
2. A special event or one-time volunteer is an individual who volunteers on a one-time or limited basis for a special event or program that takes a few hours or less to complete and requires little or no training. Often, the need for this type of volunteer arises quickly with rapid recruitment.
3. An Intern shall be considered as any high school, college, or graduate student, or a professional in a library related field who performs volunteer work as part of an authorized program to earn academic or professional development credit.
4. Individuals who are required to perform court appointed community service are not eligible to participate in the VCPL Volunteer Program. This is for the protection of our employees, volunteers, and Program participants.

Role of Volunteers and Interns

Volunteers and Interns can provide invaluable service to the library in certain capacities. However, recruitment and sponsorship of Volunteers and Interns requires substantial staff resources for training and supervision and many library tasks and responsibilities must be performed on a regular basis and do not lend themselves to the use of Volunteers and Interns. Therefore, as a rule, Volunteers and Interns provide assistance in jobs requiring minimal training and supervision and jobs or projects that have a beginning and an ending. Library employees are responsible for the critical functions of the Library and Volunteers and Interns are not placed in positions that affect critical functions, deal with employee or patron information, or exercise fiscal control over Library resources.

Teen Volunteer Program

The Young Peoples department of the VCPL offers volunteer opportunities with the Teen Volunteer Program. To be considered for placement in the Teen Volunteer Program, individuals must be of sufficient age to be entering grade 7 up to and including grade 12. Teen volunteers assist Library staff with programs, special events, annual Summer Reading program, and other projects and may serve on the Teen Advisory Board.

English as a Second Language Program

The Lifelong Learning Center of the VCPL offers volunteer opportunities with the English as a Second Language Program, a Proliteracy America affiliate. To be considered for placement in the English as a Second Language Program, individuals must be 18 years or older. English as a Second Language volunteers provide one-to-one tutoring and assist with conversation groups and programming for adult, non-English speakers.

Friends of the Vigo County Public Library

The Friends of the Vigo County Public Library is a self-governed 501(C) (3) organization to whom members pay annual dues and participate in volunteer activities sponsored by the Friends in support of the Vigo County Public Library. Friends of the Library may also apply for assignment as a VCPL volunteer or participate in special event or one-time volunteer opportunities. Friends of the Library who are also employees of the VCPL may not be a volunteer for the Library.

Recruitment

The library accepts VCPL Volunteer and Intern applications and, in its discretion, may collaborate with volunteer programs administered by local volunteer agencies, educational institutes, and service clubs. Potential Volunteers and Interns must complete a VOLUNTEER or INTERN APPLICATION FORM FOR ADULTS or a VOLUNTEER or INTERN APPLICATION FORM FOR MINORS (samples attached) in order to evaluate and determine the Volunteer's or Intern's skill level and availability. Volunteer and Intern applications will remain on file for one year from the date of application. Screening of Volunteer and Intern applications is based on the requirements and stated qualifications for available Volunteer and Intern positions. The Development Librarian and or a supervisor/manager will conduct individual or group interviews with Volunteer and Intern applicants to determine qualification for placement in available positions. Prior to placement, regular adult Volunteers and Interns may be asked to sign a release authorizing check of volunteer credentials authorizing the VCPL to obtain appropriate information regarding the applicant's background and credentials and general aptitude for placement. Volunteers and Interns will not be entitled to any employment rights or fringe benefits available to employees of the Library. Employees of the library may not be a Volunteer or Intern for the library and relatives of employees as defined in the EMPLOYMENT OF RELATIVES policy are not eligible for assignment to Volunteer or Intern positions in library departments.

Orientation and Training

VCPL staff will conduct an orientation. Training and scheduling will be the responsibility of the supervisor in charge of the project or job.

Recognition

Volunteers and Interns may be recognized in conjunction with staff or Friends of the Library recognition events.

Evaluation

Volunteer and Intern performance will be judged by similar standards applied to paid employees and will be subject to ongoing evaluation.

Adopted by the Vigo County Public Library Board of Trustees on the 18th day of April 2011.
