3D Printing Policies

Usage Limits & Print Rules

- You are allowed one 3D print per day.
- If your 3D print fails, you may attempt to reprint your object up to three times per day.
- Your 3D print may not take longer than 6 hours.
- Use only the filament that is provided and loaded in the printers.

Procedures & Submissions

- 3D prints for the Bambu 3D Printer must be submitted to vigolibrary.org/creative-spaces for printing.
- When printing on the 3D printers, you must sign the sheet provided with the date, your name, the length of print, the printer number, and the attempt number.
- You may leave while your 3D print is being created. 3D prints will be available for pickup 2 weeks (14 days) after successful printing. After this time, your print may be discarded.

Safety & Policy Enforcement

- You may not use 3D printers to print items resembling weapons or items which are derogatory in nature. Library staff retains the right to cancel 3D prints as deemed necessary.
- Do not remove another patron's 3D print. Ask Tech Team for assistance.
